INDICE	MODIFICATIONS	DATE

The figure is a detailed site plan for a residential development. It shows the layout of building footprints, parking areas, and surrounding streets. The plan is divided into several zones, labeled A1 through E4. Two specific areas are highlighted in orange: 'Parc Est' and 'Parc Ouest'. The plan also shows topographic contours and elevation points. The streets are labeled with their names and directions. The plan is a technical drawing, likely a plan of calpinage (land use plan) for a 'GEOGRILLE' (geogrid) project.
